

BECKY MANCINI

*October - December Newsletter
A Year in Review: 2022*

October came, our Bible School was underway. It was autumn in the UK which means mild temps and sunny (ish) skies. Our students had gotten into a solid routine of studying a different book of the Bible a week. Life was busy. November was a reminder to be grateful. A year ago we were still dealing with COVID restrictions. Now, we had students and were running a school on campus. The doors finally seemed open. We welcomed lots of new staff as well. As soon as December came we began preparing and planning for our local Winter Outreach. It was a great event where we sang carols, did Christmas crafts for kids, cleaned, prayed and picked up garbage in the community. It was a day full of joy and celebration as we shared the real meaning of Christmas, Jesus.

July/August/September

There was an outreach in Birmingham where evangelism took place on the streets. We had staff days at The King's Lodge where we spoke about the future of our campus and the importance of focusing and setting our gaze always on Jesus. Queen Elizabeth passed away and left a great legacy. The country felt the loss. It was a historic time in the UK and a new reality that was difficult for many here.

April/May/June

In the spring, prior to her passing, it was the Queen's Jubilee. She had been on the throne for 70 years. It was a time marked with Celebration, garden parties and games. We were busy prepping for the summer and the many projects around TKL while working on updating our campus practically.

January/ February/ March

The year began with change. I started working and leading the base with a new leader and friend. I prepped for Narnia and continued on with the process of setting up The Narnia Adventure in a church in the city center of Coventry. We had a wonderful turn out and lots of fruit came from this evangelistic outreach. We pulled it off with the help of church volunteers and YWAM friends. It was great fun.

The last year has been filled with its challenges and blessings. When I think of the day to day that has made up 2022, I see God amidst the varied experiences. I see His power, His kindness, and His mercy. He is Immanuel. It would not have been possible without Him and I am grateful for all He did on my behalf this year.

PRAYER POINTS

-Future opportunities for Narnia. Wisdom on how to move it forward in 2023. We plan to run it again in December for our Winter Wonderland outreach.

-We are taking on more schools and training in 2023. Prayers for our Bible Schools, upcoming Mission School (DTS) and for our English For Mission school. Prayer for the right students and staff to help.

-Prayer for our Leadership Team and practical operations as a mission campus. The needs of the campus to be met and for vision and right plans to be realized. We need continued wisdom from heaven, prayers for wisdom are appreciated and more people to come and help.
