Dear Friends,

Spring 2022 started out with our annual Sketchboard Evangelism Training (SET) in the Baltimore/DC area. This was soon followed by two trips to Boston, and two trips to Maine, one each in July and August. I had a wonderful time with many different teams! Highlights included children's ministry with First Baptist Church of Chelsea; Revere Beach; several different corners of Boston; training and children's ministry at the Anchor Church in Rockland, Maine; and Rockland's Lobster Festival. In between trips was the regular street ministry in the Rochester downtown and beach areas, as well as children's ministry in the inner city and Irondequoit, New York.

Now, moving into Fall, after school Bible Clubs are in full swing as well as a neighborhood Bible Club continuing in the Irondequoit area. We have been studying Noah, the Tower of Babel, Abraham, the Parable of the Sower, and the Parable of the Growing Seed. More Fall outreaches are just around the corner, and college campuses are full of students. Just today I had the chance to share the Gospel with students from Bulgaria and India!

Night is falling, but the Lord is still moving and calling people to Himself!

As always, thank you so much for your continued prayers and financial support!

Erin
